# Dr Sam Sample

sam.sample@example.ac.uk · 07700 900456

## EDUCATION

**PhD Computational Biology, Northfield University** Oct 2021 – present

**MSc Bioinformatics, Northfield University** 2019 – 2021

## RESEARCH EXPERIENCE

**Research Assistant, Genome Lab** 03/2018 – 09/2018

- Analysed sequencing data from 1,200 samples using Python and R pipelines.
- Co-wrote two grant applications that secured £40,000 of funding.

## PUBLICATIONS

Sample, S. and Example, A. (2024). A method for aligning long reads. Journal of Examples, 12(3), 45–67.

## TEACHING

**Teaching Assistant, Introduction to Programming** Autumn 2022

- Ran weekly labs for 60 first-year students and marked 120 assignments a term.

## CONFERENCES AND TALKS

- Presented a poster on long-read alignment at the Example Genomics Meeting, 2023.

## SKILLS

Python, R, Bash, Nextflow
